## The Case of the Money U. S. Borrowed From Social Security

Many a sharp-witted citizen noting that deduction from his pay-check marked "OAS" has wondered whether, in this day of huge federal appropriations and monumental public debt, the government really has on hand all this money that's supposed to be laid back for the individual citizen when he reaches the age of 65 and is entitled to draw Old Age Benefits.

The answer, of course, is that the government does not have all that money. Not only do we have to pay high taxes to meet the cost of present-day government but we face still higher taxes in the future in order to put back into Social Security the money which this generation's government has borrowed from SS — and spent.

A sharp analysis of the Social Security funds case appeared in an Oklahoma City Oklahoman editorial, and I am reprinting part of it today:

### Time for a Look Around (Daily Oklahoman)

The time has come for the most searching inquiry into some of the implications of the legislation that has grown up in hodge-podge fashion around this subject during the last 20 years. Senator Byrd of Virginia warned four years ago that the government was building an ever-rising floor under the public debt in its handling of social security trust accounts.

The money collected for the social security program is not sequestered to the credit of individual contributors. It is spent for the day-to-day operating expenses of government, and all that remains is the treasury's IOU's in the form of its bonds, a bookkeeping notation in a so-called "trust account." The individual is not making an investment within the business meaning of that term, but is merely establishing a claim against the government's future tax revenues.

But the government is paying interest on the "trust funds" accumulating from social security contributions. These funds become a part of the public debt, and the higher they rise the more difficult grows the burden of supporting them out of tax revenues.

Four years ago Senator Byrd warned the federal debt had risen at that time to \$253 billions, representing an annual interest charge against the taxpayers of approximately \$5,500,000,000.

At that time nearly a fifth of the interest on the public debt was being paid on federal trust funds which were supporting \$35 billions of the \$252 billions total. Since then, of course, the public debt has risen to more than \$280 billions, and the annual interest charge, in the neighborhood of \$6 billions.

Interest on the public debt has become one of the largest "untouchable" items in the federal budgets under existing fiscal practices, and it will increase directly in proportion to payments into social security and other trust funds of government.

Federal trust funds are custodians for more of the public debt than the banks and the postal savings system combined. The credits that have accumulated in these funds are equivalent to more than 40 percent of the total assets of all the country's privately operated life insurance companies.

Before the government begins exchanging its IOU's for the money of more social security contributors, therefore, it should make sure it will be able to redeem the commitments it has assumed at ready.

That involves a thorough inquiry into an enormously involved subject. It raises the question whether all the claims already outstanding ever would be redeemed with honest dollars under existing social security practices.

A house ways-and-means subcommittee is undertaking such a study, but months must pass before it will be ready to recommend legislation.

## AWOL Soldier Gets Medal

WITH 7TH DIVISION, Korea, (UP) — A Bronze Star Medal for valor has been awarded to Cpl. Robert W. Von Kuznick, who went AWOL from Fort Knox, Ky., and hitch hiked 16,000 miles to the Korean frontlines.

Von Kuznick gave himself up to authorities in January and was shipped home after serving "unofficially." With a tank battalion.

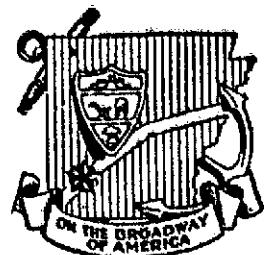

Von Kuznick was with the 73rd tank battalion when he won the medal for an action Oct. 6. He volunteered to drive an ammunition truck through an intense artillery and mortar shelling to reach tank positions ahead of the main lines.

Some of the tanks had exhausted their ammunition when Von Kuznick "unhesitatingly" drove the truck forward.

Von Kuznick, formerly of Dallas, Tex., was absent without leave from Fort Knox, bought a plane ticket to Seattle and steamed away on military transport ship to Korea.

At Fort Knox he had taught a class on how to light an M-1 rifle.

## Soviet Moves Encouraging Sign to West

LONDON (UP)—Western observers sifting recent Soviet moves today reported encouraging signs of a new conciliatory Russian attitude toward the West. The feeling was heightened by a Kremlin promise of immediate action toward freeing British civilian prisoners in North Korea.

The promise was made by Soviet Foreign Minister Vyacheslav Molotov and announced last night by the British Foreign Office. Although the Foreign Office warned against premature optimism, the Soviet move followed two other developments that foreign diplomats in Moscow said could have a profound impact on world peace. These were:

1. The proposal by Gen. Vassily Chulikov, Soviet commander in Germany, for British-Russian talks to avoid future East-West air incidents. The Russian general surprised the West by expressing regret over the death of seven British airmen in a Lincoln bomber shot down by Soviet MIGs over the Iron Curtain.

2. President Eisenhower's statement last Thursday that the U.S. always would go half way toward any Soviet attempt to settle world issues.

Allied quarters in Red-encircled West Berlin also wondered if Soviet Prime Minister Georgi Malenkov has sent orders to the Soviet satellite states including East Germany, that all air of crisis should be forgotten for the present.

Despite Eastern zone threats of dire consequences for Berlin if the West German Parliament ratified the Allied-Bonn Peace Treaty and European Army Treaty, there was little strong Communist reaction to Thursday's lower house vote of approval.

The Soviet promise of action in the case of nine British civilians and one Irish missionary held in North Korea seemed of special significance. Previous British appeals on behalf of the group were ignored by the late Prime Minister Stalin's Kremlin regime.

The Foreign Office said the promise was made in a note delivered here Wednesday that declared:

"The Soviet Foreign Ministry will take up the matter with the Korean People's Democratic Republic and will also take the necessary steps in order that this question may find an affirmative solution."

The British group includes three diplomats, among them, Vyvian Holt, former British minister in Seoul.

The Russian gesture raised two questions:

Whether a similar release might be arranged for American civilians interned by the Communists in Korea?

And whether it might lead to a move by the North Koreans and Chinese Communists to settle the last remaining issue blocking a Korean truce — exchange of war prisoners.

A Foreign Ministry spokesman cautioned, however, against any optimism that the move presaged a shift in Soviet attitude.

"We welcome this helpful Soviet action," he declared, "but it is too early to suggest that it is an indication of better things. One swallow does not make a summer."

## Universities May Investigate McCarthy

WASHINGTON (P) — Universities might undertake to investigate Sen. McCarthy (R-Wis.), the Senate's best known investigator, under a proposal made to the National Civil Liberties Clearing House meeting. He said universities traditionally provided a forum for scrutinizing "the lords of the passing hour." Shuster went into no details on possible procedure.

McCarthy commented, "Every Communist, every left winger in the country has been investigating me. This gentleman is welcome to join the pack if he wants to."

## Hope Beverage, Although Small, Is Another Industrial Cog That Makes a Better City

In a tour of local industries down town businessmen last week called on the Hope Beverage Company, which was established by M. D. Broach in 1946.

In September 1948 A. L. Page took over the concern. Despite the fact that the industry is seasonal there are seven full time employees and 12 during the summer months.

Plant production has not been enlarged to any extent but much additional equipment has been added and modernized. Starting with two trucks the company now operates

ABRUPT CHANGES — With the passing of Russia's Premier Josef Stalin bringing about abrupt changes in the Soviet Union, the effects are also felt on the Korean scene as evidenced here by a 7th Division GI bringing a road sign up to date. The sign which formerly read "Joe Sees You," and now reads "Georgi Sees You," lies in an area which is under constant enemy observation. — NEA Telephoto.

## Old Farm Program to Stay Awhile

HOUSTON, Texas (UP)—An Eisenhower administration farm official told cotton growers today that farm programs held over from Democratic administrations will be kept until better ones are found.

John H. Davis, president of the Agriculture Department's Commodity Credit Corporation, said the New GOP regime expects to build on the experience of the past to make the future more secure and more prosperous.

He said the new administration is not ready yet to announce what kind of programs it will advocate.

"But we shall not scrap the present programs until we have something better," he said in a speech prepared for an annual convention of the Texas Cotton Association.

Davis said "contemplated" new programs will seek to maintain a prosperous agriculture through "a sound marketing program, using support programs as a buttress to our economy during periods of weak prices."

He appealed to cotton growers to hold down production this year to avoid creation of a surplus that might undermine the stability of the cotton industry for the years immediately ahead. He said a 1953 crop approaching the size of last year's would get the industry into serious surplus troubles probably requiring use of rigid production and marketing controls in 1954.

Davis said the cotton crop should be held to around 12 to 14 and one-half million bales (500 pounds each) compared with last year's 14.9 million.

Reluctance to announce plans for future programs is in no way "evidence of a desire on our part to reduce farm income," he said, adding:

"Indeed, the reverse is true. In working out new programs, our goal will be fully equality of income with other economic groups."

And in that time Allied Airplanes have been shot down in Germany and fired on in the North Pacific.

Is this some kind of grim and cynical game, or is it the first round of a prolonged propaganda and diplomatic sparring which may eventually lead to an easing of world tensions?

Diplomatic officials, though highly skeptical about Russian intentions, said today it is still too early to say what the long range behavior of the Soviet dictatorship may be under Georgi Malenkov, Joseph Stalin's successor as dictator.

At some point, but apparently not yet, these officials think careful diplomatic probing of Soviet intentions will be necessary to determine whether the Kremlin is really ready to do business on some real issues — such as ending the Korean War, for example.

Eisenhower administration officials have been considering possible lines of Soviet behavior in the event Malenkov really wants to demonstrate that his peace talk is sincere. One idea administration leaders are reported to have come up with was that the Soviets might agree to some acceptable plan for resolving the prisoner of war issue which has been the most persistent point of deadlock in Korea truce talks.

## Crash Kills 35 Investigation is Launched

OAKLAWN, Calif. (UP) — An investigation was launched today into the flaming crash last night of a four-engine plane which carried 35 passengers and crewmen to their deaths. The 30 passengers were Air Force personnel from a Reservoir, N. M., base bound for the Far East.

The crew included the company's chief pilot, Harvey Rodgers, 41, of Lafayette, Calif. He is survived by his wife and three children.

The plane, a Transocean Air Lines DC-4, struck a hill near Oaklawn a few minutes after it cleared for a landing with the Oakland Airport. Debris is the area of California's worst air disaster — 30 killed in the crash of a United Air Lines plane under similar circumstances Aug. 24, 1951. That plane, too, was about to land.

Alameda County Sheriff's Capt. Richard E. Condon at the scene of the Transocean crash said there were no survivors.

Witnesses said the aircraft, flying through a drizzle, smashed into the hill, broke into bits and then burst into flames.

Mrs. Henry Andrade, who lives only 300 yards from the crash scene, said she heard a crash and then a series of explosions. She ran as close to the burning plane as she could.

"I saw men with their clothes on fire — some on the ground — some trying to get up, staggering, falling back into the flames."

Alameda County sheriff's officers said bodies could be seen burning within the portion of the fuselage that remained intact.

The wreckage of the plane was scattered over a quarter-mile radius in the soft, newly-blown field where it fell.

The civilian crew included two stewardsesses. The 30 airmen were from Walker Air Force Base, "The Air Force said the airmen were support and maintenance specialists en route to the Far East for a tour of duty with the 509th Bombardment Wing. The wing's location was not disclosed.

Many of the airmen's next-of-kin live in Roswell, said an Air Force information officer. Most of the victims had been stationed there for some time.

A rumor that the DC 4 might be carrying "secret cargo" was quickly denied by the Air Force.

Ambulances vainly rushed to the victims to a nearby hospital. Murky fields and poor roads in the crash area hampered efforts to evacuate bodies and flight the plane.

Transocean Air Lines is the world's largest non-scheduled carrier. Its planes have flown thousands of military personnel and loads of supplies from the West Coast to Korea.

At some point, but apparently not yet, these officials think careful diplomatic probing of Soviet intentions will be necessary to determine whether the Kremlin is really ready to do business on some real issues — such as ending the Korean War, for example.

FOR HEROIC ACTION — Pvt. Courtney L. Stanley, 20, of Mansfield, La., awarded the Silver Star March 19 for his heroic action during the battle of Little Gibraltar Hill in Korea. Though wounded himself, Stanley stood guard over his wounded battalion commander and two other casualties, killing at least nine attacking Chinese Reds. — NEA Radiophoto

## Tobey Rips Opposition of Bohlen

WASHINGTON (UP) — Sen. Tobey (R-NH) pitched into the fight over Charles E. (Chip) Bohlen's nomination as ambassador to Russia today by denouncing GOP opponents for trying "to stab the President in the back."

"They will not succeed," the fiery Little Rock senator declared, "and Bohlen will be confirmed Monday in an overwhelming vote of confidence in Eisenhower."

One of Bohlen's critics, Sen. McCarthy (D-Wis.) demanded that Secretary of State Dulles be "put under oath" and questioned further by the Senate Foreign Relations Committee.

McCarthy voiced the demand in the wake of Dulles' news conference yesterday in which the secretary disputed Sen. McCarthy's (D-Nev.) contention that Dulles "cleared" Bohlen over objections from W. R. Scott, McLeod, the State Department's new security officer.

McCarthy, McCarthy and Sen. Bridges — Senate temporary president — and Tobey's GOP colleagues from New Hampshire — are leading the admitted minority opposing Bohlen.

Tobey mentioned no names, but he told this reporter:

"The opposition comes from a little group of willful men. For 20 years we've been trying to get a Republican administration. In view of upholding the President, they are trying to block him and put daggers in his back. They are attacking the President and trying to undermine his administration."

"These critics are not worthy to unlace either Achilles' or Bohlen's shoes."

Dean Acheson, when Secretary of state under former President Truman, was heavily criticized by Republicans, particularly McCarthy.

At some point, but apparently not yet, these officials think careful diplomatic probing of Soviet intentions will be necessary to determine whether the Kremlin is really ready to do business on some real issues — such as ending the Korean War, for example.

## Jess Smith, Fulton, Caught at Still

Jess Smith, Fulton, Negro, was arrested at a liquor still on the Red Lake road Friday by alcohol tax officers, Deputy Sheriff Jim Cook said.

Seized was six gallons of liquor, two barrels of mash and a 100-gallon capacity copper still. Deputy Cook and State Policemen Porterfield were alternating in watching the still with federal officers, who were at the scene Friday when Smith started running off two barrels of mash.

He was taken to Texarkana for a preliminary hearing.

Phone 7-3421 Between 8 A. M. and 4 P. M.

## Calendar

**Monday, March 22**  
The Rev. Thomas H. Carson, pastor of St. James Church, Texarkana, Texas, will speak at St. Mark's Episcopal Church Monday night at 7:30. Mr. Carson spoke at the First Baptist Church here last September on the revised version of the Holy Bible.

**Tuesday, March 23**  
Chapter 24 of PEO will meet Tuesday afternoon, March 24, at 2 o'clock at the home of Mrs. W. G. Densbete, Prescott.

The Commercial Club will meet at the home of Mrs. Hamilton Hamilton Tuesday, March 24, at 7:45. Mrs. H. E. Jackson and Mrs. Lamar Cox are co-hostesses.

The Wisteria Garden Club will meet March 24, at the Experiment Station Club House for a pot luck supper for the members and their husbands.

Green Thumb Garden Club meets Thursday. The Green Thumb Garden Club of Philley School met Thursday.

**FIRE - AUTO INSURANCE**  
**ANDY ANDREWS**  
INSURANCE AGENCY  
Phone 7-3301

Afternoon in the school auditorium with its leader, Mrs. J. W. Perkins, Naomi Kincaid, vice-president, called the meeting to order in the absence of the president, Julia Peck. The group repeated the club pledge followed by the singing of two songs, "Mackinac Bird Hill" and "Arkansas Traveler," led by the song director, Mary Virginia Eason and Darlene Braden.

The minutes were read by the secretary, Jo Carolyn Lewis, after which Patsy Heard was elected as librarian. Mrs. Perkins asked the members about the seeds which were planted indoors in flats. She then divided the members into groups for a nature study hike. Two of the groups led by Mrs. Aileen Johnson and Mrs. Fred Clinton studied trees, another two groups led by Mrs. Kenny McKee and Mrs. Teddy Jones reported on flowers and the last group led by Mrs. Perkins looked for birds in the school vicinity.

The meeting was dismissed by Mrs. Perkins.

**Garrett Memorial GA's Hold Recent Meeting**  
The GA's of the Garrett Memorial Baptist Church met recently in the home of Martha Bearden. "Sweeter Than the Day Before" was used as the opening song. Mrs. O'Brien then led in prayer followed by a devotional given by Melba Russell. Loretta Mosser led in prayer after which the first part of

## Proclamation

To all whom these presents shall come: Greetings: WHEREAS two thirds of the land area of the sovereign State of Arkansas is in timber constituting the second of the natural resources of the state; and

WHEREAS, more than 60,000 citizens find employment in these woods and in industries using trees and or tree products constituting 65 per cent of the state labor payroll; and

WHEREAS, the protection and perpetuation of this important natural resource has become increasingly important to the state's economy; and

WHEREAS, these forests of Arkansas provide other benefits, such as watershed protection, outdoor recreation, shelter for the bird and beast, and the vital conservation of the soil; and

WHEREAS, forest fires continue to destroy thousands and thousands of acres of woodlands annually, thereby depriving farmer timber owners and tree farm operators of great cash returns; and

WHEREAS, KEEP ARKANSAS GREEN ASSOCIATION is a civic project organized by the citizens of the state and directed toward the prevention of forest fires and the education of our citizen toward proper timber management and the prevention of soil erosion; and

WHEREAS, KEEP ARKANSAS GREEN ASSOCIATION is now in its seventh year of operation with widespread acceptance by the citizens of the state indicating it has taken its place as a vital conservation movement toward solving our soil and timber conservation problems.

NOW, THEREFORE, I, Francis Cherry, Governor of the State of Arkansas, do hereby set aside the week of March 23 - 28, as **KEEP ARKANSAS GREEN WEEK**. And call upon all Arkansans to observe this week, in spirit and deed, in order that the importance

## Trumans Off for Hawaii Vacation

KANSAS CITY, Mo., (UP) — Former President Harry S. Truman, who used to get his suntan at Key West Fla., headed toward Honolulu today for a month's vacation. With him were his wife, Bess, and daughter Margaret.

Mr. Truman said "I'm not going to do a thing while I'm away."

The Trumans delayed the Union Pacific streamliner "City of St. Louis" 18 minutes yesterday so newsmen and photographers could interview the former chief executive.

Margaret joined her parents here last night and the three boarded a private car for the trip to San Francisco where they will sail to Honolulu aboard the liner President Cleveland.

The train, scheduled to leave Kansas City at 9:30 p.m. CST, actually waited until 9:46 p.m. while newsmen finished their interview with the former president.

At one point Mr. Truman said he planned to be away about six weeks, but he later said his vacation would last only a month.

He was dressed in a dark gray, double breasted suit, and his wife wore a navy blue suit. Margaret appeared in a green suit.

Mr. Truman, commenting on the glare of photographers' lights, said "this is just like Washington. I thought I was getting away from all that."

Former Mutual Security Administrator Averell Harriman was a special guest in the Truman's car. He was to ride as far as Sun Valley, Idaho, where he is to spend a vacation.

The private car formerly belonged to the late Judge Robert S. Lovett, one-time chairman of the United Pacific board of directors — the job Harriman now holds.

The train, which converts to the Union Pacific's West Coast "Overland Limited" at Cheyenne, Wyo., was due to arrive in San Francisco Saturday at 10:30 p.m. PST.

## Schools to Vote Bond Issues

LITTLE ROCK, Ark. — Voters in 96 of Arkansas' 424 school districts will vote today on more than 10.6 million dollars in bond issues that have been approved by the State Board of Education.

Little Rock voters will cast their ballots on the largest single issue, \$4 million dollars and an 8-mill tax boost. Pulaski County District votes on a one-million-dollar issue.

Other districts whose bond issues have been approved by the board include: Osage, \$400,000; Searcy, \$325,000; Jonesboro \$317,000; Monticello, \$250,000; Newport, \$200,000, and Hughes, \$200,000. The other bond issues are for less than \$200,000.

## Two Killed in Industries

By The Associated Press  
Industrial accidents took the lives of at least two persons in Arkansas yesterday to raise the state's violent death toll to eight so far this week.

At Camden a Negro woman Eva Bond Hopson, was fatally burned in a fire at the Naval Ammunition Depot. Capt. J. S. Harshly, Depot commanding officer, said one other Negro worker, Will M. McCauley, also was burned in the fire which occurred at the rocket motor area.

The foreman of a crew of painters working on a water tank at Camp Robinson near Little Rock was killed when he fell 40 feet from a scaffolding inside the tank.

A doctor said C. E. Ott Sr., about 48, apparently died of head injuries.

## One Killed in 3-Car Accident

TEXARKANA, Ark. — A 3-car collision nine miles south of here on Highway 71 has taken the life of Mrs. Willie Capps, 16, of Fouke, Ark.

State Trooper Charles Boyd said Mrs. Capps was injured fatally in the accident which occurred Tuesday night in a driving rain.

He said Mrs. Capps was a passenger in a truck driven by her husband which collided with a car driven by Rudy A. Gilbert 34, Jackson, Miss. Boyd said the Capps truck then was knocked into the opposite highway lane into the path of a truck driven by F. M. Davis, 58, Fouke.

**BIGGEST BUYER**

LITTLE ROCK, Ark. — Bliss Yancy of Marianna was the biggest single buyer at the Arkansas Aberdeen-Angus Breeders Association sale here yesterday with 18 registered heifers for \$5,775.

A total of 57 animals sold for \$19,750, said Association president S. M. Smith Jr., of Birdeye.

## 'Greatest Show' Judged the Best

By JAMES BACON

HOLLYWOOD (AP) — A happy Hollywood rejoiced today in honoring one of its founding fathers—Cecil B. De Mille whose "Greatest Show on Earth" became his first Oscar winner in 40 years of epic making.

It was one of the few times Hollywood has honored one of its greats while he was still around to enjoy it.

The movie pioneer, now 72, was the big star of the silver jubilee Academy Awards last night. "A wildly in the RKO Pantages Theater as millions more for the first time saw the ceremony via television."

De Mille's win for "Greatest Show" as the best picture of 1952 was the night's only surprise. Favorite Shirley Booth and Gary Cooper came through as predicted to take the best actress and best actor awards.

De Mille, whose pictures previously had won him only millions at the boxoffice, admitted he was most surprised.

"I thought 'The Quiet Man' or 'High Noon' would get it," the proud showman told reporters. He also took home the Irving Thalberg special Oscar for distinguished production.

He was happiest for his daughter, Katherine De Mille, who became the first person to have a father and husband win Oscars on the same night.

She is the wife of Anthony Quinn, whose earthy portrayal of a Mexican revolutionary in "Viva Zapata!" won in the best supporting actor class.

Glennau Grahame, also a favorite, was voted best supporting actress for her job as the flighty Southern belle of "The Bad and the Beautiful."

Another veteran, John Ford, won the directing award for "The Quiet Man."

Although "Greatest Show" was a surprise — "High Noon" was the favorite — it's win was not wholly unexpected. Many knew that Hollywood has never quite forgiven itself for letting D. W. Griffith go to his grave unhonored by the academy.

Miss Booth, the blowy housewife of "Come Back, Little Sheba" stumbled as she walked up stairs at a New York theater to receive her Oscar from Frederic March. However, she quickly composed herself and said:

"I'm a very happy and very lucky girl. It's been a long climb and I guess this is the peak. But the view has been wonderful all the way."

Cooper, for 28 years on the side of movie law and order, and a strong favorite, won his second Oscar for playing the righteous marshal of "High Noon." He previously won for "Sergeant York" in 1941.

## Bell Hearing Is Postponed

LITTLE ROCK, Ark. — The Arkansas Public Service Commission said here yesterday that it will postpone the April 6 hearing on a Southwestern Bell Telephone Company rate increase because it will be unable to hire the needed experts for the case before that time.

Southwestern Bell is seeking a 2.3 million dollar rate increase. The rate increase has been held up since the company failed to submit a hearing record if the PSC does not allow the postponement.

## 20 Jap Workers Missing in Tunnel

TOKYO, Japan — Twenty Japanese workers still were missing today after the cave-in of railroad tunnel under construction on Kyushu Island.

Thirty-four others were rescued during the past few days. The workers were trapped about 40 yards from the tunnel entrance more than a mile from the surface.

## DOROTHY DIX

### At Mother's Call

Dear Miss Dix: At the age of 25, I have been married for three years and have two children. My husband is a fine man, and there is only one flaw to our happy marriage — my in-laws. We live across the street from them, and they seem dedicated to the premise that my husband and I should never have any time to ourselves.

He hasn't taken me out in months, because every time we plan on going to the movies, his mother comes up with a repair job that must be done at once, then he goes across the street for the rest of the evening. The same thing happens. If we have a date with friends, just let my in-laws hear of our plans, and that's the end of the outing. We own our home, so moving is out of the question. I don't care for lavish entertainment — just an occasional evening to ourselves, or with friends.

Answer: You certainly should bring to your husband's attention the fact that he is unparagonably rude in breaking dates with friends. I can see where his folks have a thorough hold on his attention, but when he has a commitment with someone else family repairs should wait. When he is in a reasonable mood, suggest that he set aside one evening, or a Saturday afternoon, to work at his mother's. He should let her know that this is all the time he can spare for her old jobs. Another evening should be set aside for a movie date with you, and these should be a clear understanding that nothing is to interfere with it.

Stand Up For Your Rights  
Your husband is a pliant man and will follow the line of least resistance. His mother is the aggressor, and until you can cope with her demands on common ground, you'll get nowhere with your husband. Show a little determination to get the consideration you deserve.

Make a few demands of your own, and bolster him up to take Mom's complaints without flinching. Establish your marriage on a more equitable basis now; don't let the difficulties pile up any further.

Answer: If there is a way to make the boy care for you, I'd suggest in a few words that it would be for you to completely reverse your present attitude towards him. He has no incentive to be pleasant to you, since he does know that no matter what he'll do, you'll be around. Being abjectly submissive is a dismal trait in anyone. He can't find dating you very pleasant if you spend your

of protecting and developing the forest and soil resources of this state will be emphasized in towns and cities as well as rural areas.

AND FURTHER, I urge all Arkansans, young and old, rural and urban, to become active participants in the KEEP ARKANSAS GREEN program in order that our state can go forward and become more prosperous.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Arkansas, Done in office at Little Rock, this 27th day of January, 1953.

FRANCIS CHERRY  
Governor

the program was given by Nancy Yocum.

A duet was sung by Betty Powell and Carolyn Phillips. Martha Garrett then gave the second part followed by the third part by Lenora Messier. Another duet was given by Janell Warren and Vivian Tomme-maker and one by Betty Beard and Valentin Tomme-maker. Giving the fourth and fifth parts were Joyce Luckabee and Faye Willis, respectively.

The closing prayer was led by Mrs. Bearden after which a quiz on Bible colors was led by Mrs. Purdie with Dawanna O'Steen winning the prize.

## Indiana is Named Top Team in Nation

By GREG ROBERTSON

**NEW YORK** (AP) — Indiana Uni-

versity's Hoosiers, champions of

the NCAA, capped their most suc-

cessful season in more than a de-

cade by being named the No. 1

college team on the nation.

In the Associated Press' 14th

and final weekly poll, the Hoosiers

compiled 1,470 points from the 159

teams sent in by sports writers

and sportscasters.

They were named first on 124

ballots to outdistance Seton Hall,

winner of the National Invitation

Tournament, and the University of

Kansas, which bowed to Indiana

by one point, 69-63, in the finals

of the NCAA.

Seton Hall, with 27 first place

votes, received 1,357 points and

Kansas, 1,212, on the basis of 10

points for first, nine for second,

etc.

Washington, third place winner

in the NCAA, was the only other

team to receive more than 1,000

points. The Huskies, led up 1,

041.

The first 10 in order was com-

pleted by Louisiana State, defeated

by Washington for third place in

the NCAA; LaSalle, leader the

first two weeks of the season; St.

John's of Brooklyn runner-up in the

NIT; Oklahoma A&M; Duquesne

and Notre Dame. In addition to

Indiana and Seton Hall, LaSalle was

the only team to receive first place

votes. Four voters put the Phil-

adelphia Explorers on top.

**Sees Indochina and Korea as One War**

**THU** DUC, Indochina, (AP) — Gen.

Mark Clark declared today that

the U.N. forces in Korea and

those of the French Union in In-

dochina are fighting "one war" in

which he sees "no indications" of

an early end.

The U.N. and U.S. commander

in chief in the Far East told news-

men at a training ground for the

Vietnamese army just outside this

little town 12 miles east of Saigon

that he was impressed by the "in-

terest" shown by the French

in helping the Viet Nam govern-
